WATER SYSTEM

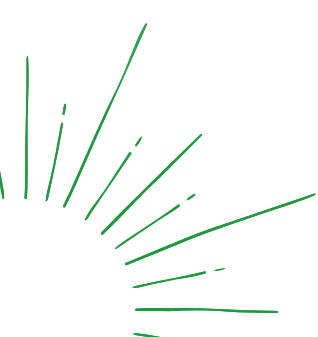

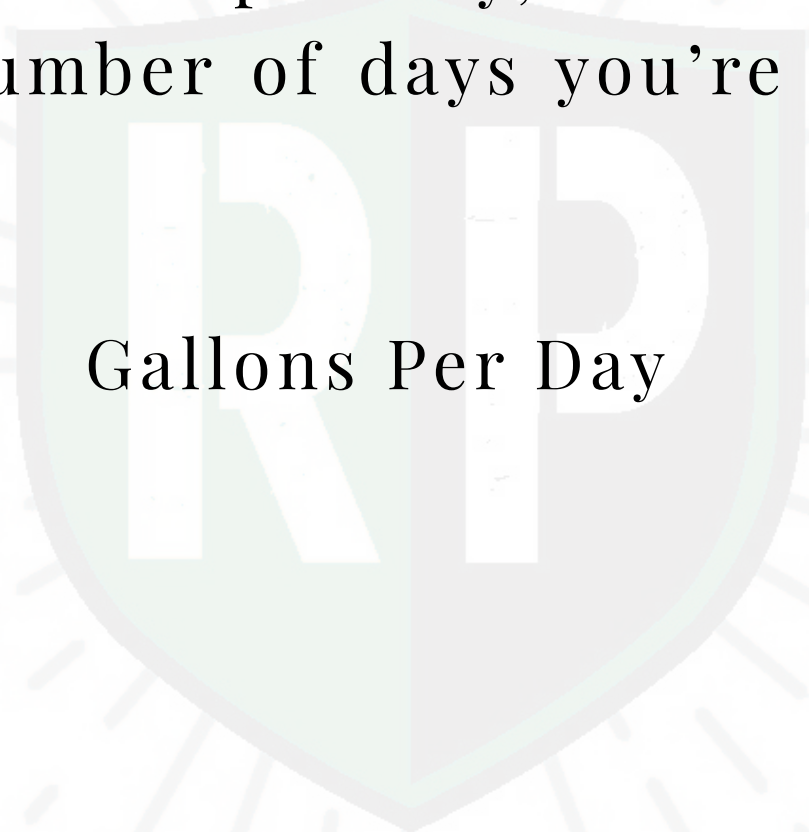

Daily Water Needs

Drinking Water

Name the person/pet, how many gallons they will drink per day, then total it up for the number of days you're prepping for.

Person	Gallons Per Day	Total
--------	-----------------	-------

WATER SYSTEM

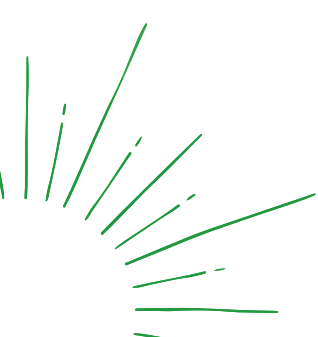

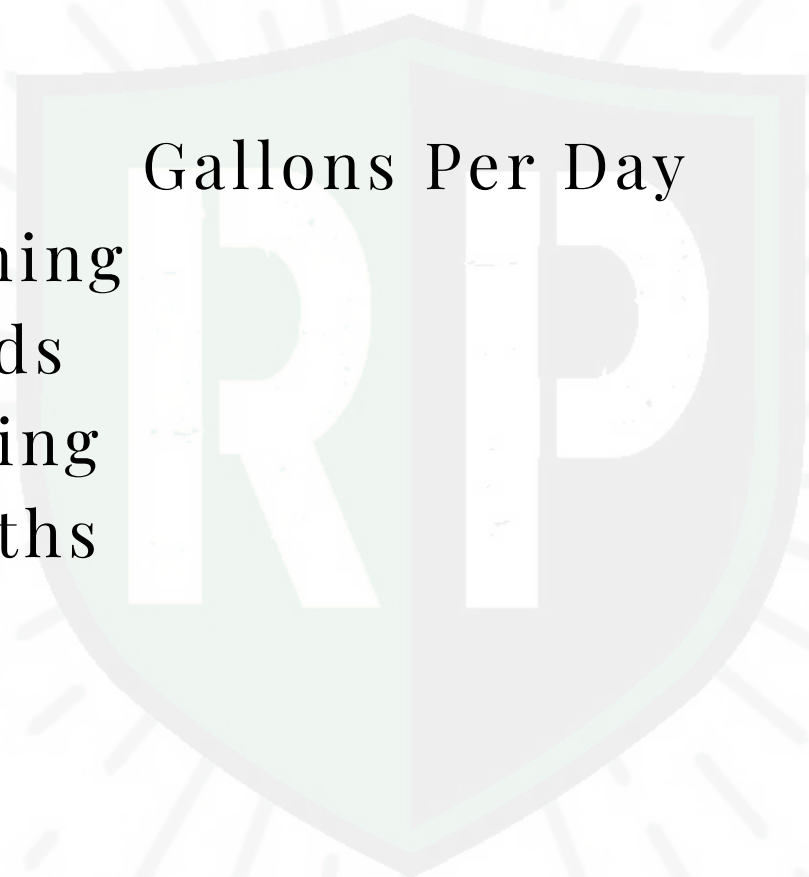

Daily Water Needs

Sanitation & Hygiene

Do the same here that you did for drinking water.

Use	Gallons Per Day	Total
Hand Washing		
Toilet Needs		
Dish Washing		
Sponge Baths		

WATER SYSTEM

Daily Water Needs

Total Water Goal

Add up the water needed for your number of days preparing for, for each category and write it below then add it all up.

Category	Total Gallons
Drinking	
Cooking	
Hygiene	
Pets	

TOTAL
